# ABOUT THE ACCELERATOR

Through the **Global Compact Local Networks** around the world, participating companies will gain access to **global best practices, peer-to-peer learning opportunities, capacity building sessions and on-demand training.**

The **Climate Ambition Accelerator** aims to scale-up **credible climate action** across companies of all sizes, sectors and regions, enabling them to deliver on **meaningful commitments** to reduce emissions at scale.

## Outcomes:

- Gain a clear understanding of the Science Based Targets Initiative (SBTi) and the net-zero concept
- Learn how to motivate investors, corporate leadership, employees and shareholders to set and meet Science Based Targets
- Hear from peers and share insights in group sessions
- Take advantage of on-demand learning sessions that enable you to work at your own pace
- Get access to industry experts and networking opportunities
- Benefit from local delivery combined with global insights and best practices

**Our Climate Ambition Accelerator enables more companies in our Local Networks to join the transition to a net-zero future and get started in setting ambitious, credible science-based targets.**
